Key dates including course start and finish dates for the main study periods, exam periods, census dates, public holidays and holiday breaks are outlined here: <http://www.deakin.edu.au/courses/key-dates>

Please note you are advised to check your course outline for information about study or placement requirements which may occur outside of these dates.

#### **Course Duration**

The 'Full duration' of your course is described in this offer as the standard full time course duration in academic years. Due to coronavirus COVID-19 your 'expected completion date' may have been extended in this offer.

If you are not able to complete your course by the expected completion date due to coronavirus COVID-19 travel restrictions or other restrictions which impact on the delivery of the course, you are responsible for all costs associated with the late completion of your course. If you don't complete by the expected end date you will incur additional costs such as but not limited to costs related to a new visa application, extended OSHC and living costs in Australia.

#### **Expected completion date**

The expected course completion date is stated in this offer and on your Confirmation of Enrolment (COE). This is the completion date of your course if you follow an agreed study plan and your course progress is at 100%. Should you fail any units, change major or stream, or transfer courses, your course completion date is likely to change.

Your COE end date has been confirmed by your faculty as the date you can complete your course by following the approved study plan.

Some mandatory or non-mandatory parts of this course must be taken on campus. Please ensure you read the course outline and university handbook carefully to understand these obligations.
