Please note you are advised to check your course outline for information about study or placement requirements which may occur outside of these dates.

#### Course Duration

The 'Full duration' of your course is described in this offer as the standard full time course duration in academic years. Due to coronavirus COVID-19 your 'expected completion date' may have been extended in this offer. If you are not able to complete your course by the expected completion date due to coronavirus COVID-19 travel restrictions or other restrictions which impact on the delivery of the course, you are responsible for all costs associated with the late completion of your course. If you don't complete by the expected end date you will incur additional costs such as but not limited to costs related to a new visa application, extended OSHC and living costs in Australia.

#### Expected completion date

The expected course completion date is stated in this offer and on your Confirmation of Enrolment (COE). This is the completion date of your course if you follow an agreed study plan and your course progress is at 100%. Should you fail any units, change major or stream, or transfer courses, your course completion date is likely to change.

Your COE end date has been confirmed by your faculty as the date you can complete your course by following the approved study plan.

Some mandatory or non-mandatory parts of this course must be taken on campus. Please ensure you read the course outline and university handbook carefully to understand these obligations.

### STUDY REQUIREMENTS

#### Course and unit requirements

The Handbook contains course and unit information for all study periods. Course level information includes course structure, indicative workload and course rules (including any requirement to complete Work Integrated Learning (WIL)). Unit level information includes prerequisites, modes of study, contact hours, content, assessment and other requirements to complete the unit. For example - National Police Record Check, Working With Children Check or immunisations. For full details, please view: <http://www.deakin.edu.au/students/enrolment-fees-and-money/university-handbook>. Work Integrated Learning (WIL) includes an industry work placement as a compulsory part of your degree. There are different types of industry work placements, including industry based learning (IBL), work based learning, career placement, community based placement and volunteering placement. These placements can start at any time and are not linked to a particular study period. Please check the Handbook for any compulsory WIL requirements relating to your course.

#### Online study

While onshore on a student visa, International students can undertake 33% (one third (or equivalent)) of their course online, with at least one unit of face-to-face study in a compulsory study period. The only exception is if you have one unit to complete in your final study period – this can be completed on-line.

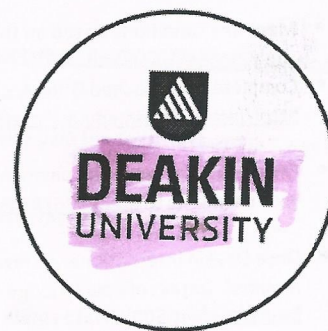

TEQSA has provided for some flexibility due to coronavirus COVID-19. This flexibility means that if you are unable to attend face to face classes you can exceed the amount of online learning. You are advised to ensure you read all emails from Deakin about your studies, this flexibility is temporary and is subject to change.

Provided you are enrolled, your COE will remain in place even if you have not yet reached Australia.

DUELI online courses are replacing classroom teaching during coronavirus COVID-19. You are required to maintain your attendance and participation in DUELI online classes.

#### Course progress

Student visa condition 8202 states that you must remain enrolled and maintain satisfactory course progress for each student period. Deakin reviews all students' academic progress each study period.
