Title : Career Progression And Development of Institutional Aspirants

Objectives :

- To give an opportunity for career progression to existing employees and students.
- To inculcate honesty and dedication among staff.
- To form good linking between teaching and support staff to facilitate closer working.
- To motivate children of non-teaching staff for higher education.

Institute came into existence in 2006. Principal Dr. K. R. Khandelwal always motivates staff to work with dedication for society's betterment. Institute provides ample opportunities to the employees to mingle together in academic as well as other extra-curricular activities, encourages faculty and students to participate in seminars and conferences and promote a holistic teaching-learning environment. They are further facilitated by infrastructural facilities including computer labs, computerized library and an auditorium equipped with multi-media facility.

Guidance is provided to faculty, non-teaching staff, their children and our students to pursue higher education.

Dr. Rajendra Patil, working as an Asst. Prof., Pharmaceutical Chemistry Department, Dr. Vaishali Mute, working as an Asst. Prof., Pharmacology Dept, Dr. Prashant Ghode, working as an Asst. Prof., Quality Assurance, Dr. Vinita Patole working as an Asst. Prof., Pharmaceutics Dept were motivated to complete their Ph.D.

Mrs. Vaishali Randive, working as a Librarian in our Institution was motivated to complete her M.Phil. successfully.

Mrs. Kausar Shaikh, working as a Lab. Asst., Pharmacognosy Dept. has been guided to qualify her NET examination successfully.

Mrs. Sweta Shirsath, working as a lab assistant in pharmacology department had been guided to pursue her MBA. She successfully completed MBA from Savitribai Phule Pune University, Pune.

Guidance and financial support is provided not only to the teaching and non-teaching staff of the institution but also to their children to pursue higher education. Some examples are stated below:

Pankaj Shirsath, son of Mrs. Neha Shirsath working as a lab attendant in pharmaceutics department had been guided to pursue MBA. Because of our guidance he had taken admission at

JSPM's Jayawant Institute of Management Studies, Pune. He successfully completed his degree and currently working as Senior Analyst at Union Bank of Switzerland, Pune.

Higher education provides a gateway to a number of opportunities in the future. It is like a door opening to miscellaneous pathways, and one can always raise his or her living standards by studying higher and higher in life. Higher education equips students with the specialised skills required to earn higher efficiency levels at the workplace, gives an equal space in this competing world, improves skills and provides scope for better serving our community and working towards its development.

Seminars, guest lectures and workshops are conducted every year to develop interest among students to pursue higher education.
